From the Principal

No Assembly Monday
There will be no assembly Monday 18.08.2014 due to Fun With Maths activities occurring in the hall starting Monday morning.

Payment for Crazy Scientist, Fun With Maths and Life Education Van $18 per student.
Please ensure your money has been paid to the office. There are still some outstanding payments due. Next week we will be sending home reminder invoices. If you are experiencing difficulties with payment please contact either Mrs Wendy Ross (Deputy Principal) or Mr Paul Manttan (Principal) or Mrs Sue Cheetham (Admin Assistant).

Fun With Maths
"Fun With Maths" is a presentation of colourful, educational activities that are drawn from life challenges that need maths strategies to solve. The presentation is tailored to each year level and gives students an opportunity to choose the correct strategy when faced with a problem, improve their creativity, and change their attitude into a positive one towards maths.

Life Education
Based on the national curriculum, specialist educators deliver age-specific programs in state-of-the-art Mobile Classrooms using an approach that focuses on the individual, inter-personal relationships and the community. The well-known, iconic mascot, Healthy Harold the giraffe, helps Life Education facilitators to create a fun and memorable environment.

The programs offered are contemporary, engaging and highly relevant. The goal of Life Education is to empower all Australian kids to make the best choices possible when faced with a range of issues.

Touch Football games have been cancelled for this Friday 15th August.

Junior primary modules focus on:
- Food and Nutrition
- Personal safety
- Safety with medicines
- Body Systems
- Social relationships, and
- Physical activity

Middle and Upper Primary modules focus on:
- Social relationships
- Self esteem
- Body systems

Fun With Maths Parent Night Tuesday 19 August 6:00pm
There are still some spaces left in the parent night on Tuesday 16 August 2014 starting at 6pm. This is an opportunity for you to come with your child and participate in the mathematics challenges that your child has been undertaking in their Fun with Maths sessions. Come and teach your child or be taught by your child. It will be a fun night and it is all about increasing your child’s confidence with mathematics.

Sign up sheets were included in the last 2 newsletters or you can email your information to FunWithMaths@northviess.eq.edu.au. But we do need you to RSVP as there are limited spaces. Or click on the link on our website to email your attendance.

Remember there will be a sausage sizzle available beforehand starting at 5.15pm. And younger children (not yet attending Northview) will be catered for in the library with a movie.
Northview State School P and C

 Purchase your OUTDOOR MOVIE NIGHT Tickets
