NEW NORTHVIEW STATE SCHOOL SCHOOL BEFORE SCHOOL, AFTER SCHOOL & VACATION CARE PROGRAM

Dear Northview State School School Family,

We are delighted to be partnering with Northview State School School to provide families with a new warm and welcoming Before School, After School and Vacation Care program.

The new Northview State School School program will begin operating at the School on Tuesday 28th January 2014.

Camp Australia is dedicated to helping all kids reach their full potential, positively impacting lives and spreading smiles now and into the future. We are the nations leading before and after school care provider, helping families balance work and life responsibilities and spreading smiles across the community for 25 years.

We will partner with the school community to deliver a tailored before and after school care program focused on bringing out the best in kids - combining active games with structured and unstructured play, quiet time and a healthy snack.

Homework will be encouraged and supported to ensure children are ready to return home at the end of a busy day.

Breakfast and afternoon tea will be served daily in consideration of children's tastes, nutritional needs and developmental needs. Menus follow the Smart Choices food strategy. Breakfast includes a serving of fresh fruit and vegetables, and afternoon tea includes a selection of sandwiches, dry biscuits or rice crackers with various toppings. Children may also engage in fun cooking activities as an accompaniment to afternoon tea.

All Camp Australia programs are compliant with the National Quality Frameworks and Licensing Regulations. The Camp Australia Team are qualified and trained by our Registered Training Organisation, supported with regular professional development and care about your child's needs, interests and wellbeing. The Team are looking forward to this new partnership with the local school community.
