Northview State School Parent & Citizen Association

Our members are vibrant, energetic, reliable and family orientated people who enjoy participating in what they can for our school. We are grateful of everyone’s contribution no matter how great or small.

Northview State School P and C works well together as a team supporting and encouraging each other to assist School Management in building and maintaining our children’s learning environment.

And we pride ourselves on being inclusive, open and friendly. We need you to assist us to continue this tradition.

Our membership form is on the other side of this. Feel free to contact any member of our P and C to chat or answer any questions you have.

Thanks
