

Attendance Policy

(revised 2015)

Rationale

All schools in Queensland are committed to providing safe and supportive learning environments which address the educational needs of all students. Northview State School expects that all students will attend the educational program every school day. Our attendance policy aims to ensure all students are given the best opportunity to learn by outlining the responsibilities of the school, parents and students in managing attendance issues.

School community beliefs about the importance of attending school

It is important that students, staff and parents/carers have a shared understanding of the importance of attending school.

Strategies

Attendance Policy

(revised 2015)

At Northview State School we promote 100% attendance by:

- ⇒ Implementation of the School Attendance Policy
- ⇒ Development of a safe and supportive school environment that promotes positive relationships, including the implementation of programs to develop social skills (School Chaplain, Buddy Classes) and to provide support mechanisms for families (Guidance Officer, Queensland Police, Department of Child Safety & CYMHS,)
- ⇒ Consistently recording and following up unexplained student absences
- ⇒ Monitoring of the school's attendance data to identify absenteeism trends and individual students with high levels of absenteeism
- ⇒ Promote high expectations for school attendance to the school community by communicating that higher school attendance is associated with higher students achievement (school newsletter, parent meetings, school website, parade)

Responses to absences
