About Our Online Tuckshop Service using

Flexischools was implemented in our school community in 2014. Flexischools has assisted us in providing a more efficient and effective service and a convenience for parents and carers. This year we are completely online.

What is Flexischools?

Flexischools is a service where you order your child's tuckshop online via your computer in 4 easy steps. It's easy, convenient and cashless!

Step 1: Register

Go to flexischools.com.au from your computer, tablet or mobile phone. Login or register for an account and add your students to get started.

Step 2: Top-up

Top-up your account using VISA, Mastercard, PayPal or by direct deposit. Flexischools recommend topping up your account by \$20. Flexischools will email you a reminder when your account is running low.

Step 3: Order and Pay

Order your child's lunch from our menu for 1st and 2nd break.

Step 4: Review or Edit your orders

Your order is now shown on the first screen along with your students. You can view, change or cancel the orders at a later time, by logging in again. You can also create a repeating order out of an existing order, so you never need to remember tuckshop day again!

Cost for Parents

Top-up Fee - Credit Card & PayPal: \$0.15c + 1% of payment amount and

Fees charged once when money is transferred into Flexischools account using VISA or Mastercard. This top-up option is immediate.

Top-up Fee - Direct Deposit: \$0.00

Parents can direct deposit funds into their Flexischools account via internet banking or by banking cash at a bank branch. **Please allow a minimum of 24hrs for the transaction to appear in your Flexischools account. This also may depend on your financial institutions processing times and the time of day you process your transaction.**

Parent Order Fee: \$0.29

This is added to the cost of each online order for each break, and deducted from the parent's Flexischools account at the time of processing. This is a mandatory fee for canteen online orders.

Call Ashlee Calicetto on 0439 742 353 with any questions or concerns.

Other important information

- **Credit Card details are processed securely by Westpac.** Flexischools does not record or store any credit card details.
- **All topped up account funds are held in a security trust, administered by Forsythes Assurance and Risk - a leading accounting firm**
